Hi Staffordshire Moorlands District Council,

Thank you for your email.

Regarding planning application SMD/2024/0568, National Grid Electricity Transmission have no objection to the proposal provided the applicant has a valid connection agreement and an agreement with us via the Use of NGET Land Process for their proposed cable routed through our land surrounding Cellarhead substation.

If you would like to view if there are any other affected assets in this area, please raise an enquiry with <https://lsbud.co.uk/>. Additionally, if the location or works type changes, please raise an enquiry.

Please note this response is only in reference to National Grid Electricity Transmission assets only. National Grid Electricity Distribution (formerly WPD) and National Gas Transmission (formerly National Grid Gas) should be consulted separately where required.

Kind regards,

NGET Asset Protection Team
