Details of the pre-application advice received

Thanks for getting in touch, I just tried to ring but you were unavailable.

For a Listed Building, internal and external alterations are restricted and Listed Building Consent would be required before carrying out these works. Applications for Listed Building Consent are free and can be submitted via the planning portal:

<https://www.staffsmoorlands.gov.uk/article/567/Apply-for-planning-permission>

In general, works such as replacement windows, doors, alterations to the internal layout, replacement staircases, re-roofing and re-rendering/repainting the exterior would require Listed Building Consent. There are some minor works, such as replacement bathroom and kitchen units, or localised repairs which may not need listed building consent.

Historic England has some good guidance on requirements for Listed Building Consent - <https://historicengland.org.uk/images-books/publications/listed-building-consent-advice-note-16/>

If you have any specific queries on whether works require Listed Building Consent, you can contact Conservation Team – conservation@staffsmoorlands.gov.uk

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

- ☐ Yes
- ☒ No
