1. Introduction

1.1 Purpose

The purpose of this document is a photographic study of the previous windows and doors (now removed) and the replacement windows and doors on properties 2a-8 New Street, Leek. This is to provide evidence to support the retrospective application for these replacements.

2. Window and Door Schedule

2.1 Front Elevation

The following table and supporting images are of the original and replaced windows and doors on the front elevation.

Reference	Original	Replacement
