Submission: Support

Comments: Dear Sir/Madam,

I am writing in support of the application at Gorsty Hill Farm for continued mixed use of the farm's buildings.

I gained work experience whilst a student beginning in 2014 at Gorsty Hill Farm working for Mr at his log and farm business, which at the time was run from the dilapidated buildings,

The new buildings are a huge improvement in both appearance and safety to the previous sheds whilst allowing the farm and log business to continue sustainably.

As a fellow farmer in the area, I can appreciate the difficulty for family farms to continue from solely agricultural income and hope that if this application is approved the farm can continue for many years.

Yours faithfully,

Joseph Charles Corden
