SMD/2023/0197: Application for a Non-Material Amendment (NMA)

Dear Mr. Swithenbank,

This letter accompanies an application for a Non-Material Amendment (NMA) to amend the proposals for the consented solar farm at Totmonslow Farm, Draycott Road, Totmonslow, ST10 4JJ. The applicant, Totmonslow Solar Limited, intends to make minor changes to the approved layout and ancillary infrastructure to optimise the scheme. These changes are not considered to breach any conditions attached to the existing consent SMD/2023/0197.

A detailed Excel spreadsheet comparing the proposed changes with the approved layout has been submitted alongside this application. A summary of the key changes is provided below:

- Changes in the PV module length, heights & tilt
- Distance between PV module rows
- Total number of PV modules decreased
- Change in Transformer dimensions
- Number of inverter units increased
- Change in the dimensions of the DNO and Client Substation
- Internal road: layout has been modified to accommodate revised site requirements
- New structures introduced: a spare parts container and an O&M container

Further detail on each of these changes is available in the accompanying Excel spreadsheet. The application is accompanied by the following plans and drawings:
