Comments: On behalf of residents we are very concerned re the change of use to a flat, there is an overall problem with parking in this vicinity. We find people from off the main road (West Street) park in Grove street as there's nowhere for them to park and the Airbnb in West Street. At the moment the flat above the shop is unoccupied but when that is occupied and planning is approved for a ground floor flat, as anyone can workout, parking availability will only get worse. Footfall from both flats coming and going could cause noise nuisance, not something we look forward to.
