Comments: Is this fence coming down and when ?? Again come out of Haven to be met with a car coming the other way no where to go because of vehicles parked on the correct side of the road. Also the planning application went up on the lamppost a long time after the fence was exchanged for the original low fence of which the original posts were used.. It's a nightmare getting out when the school run is in action. Planning number,, SMD/2024/0506.
