Dear Mrs Curley,

Arrangements for Handling Heritage Applications Directions 2021

NICHOLSON INSTITUTE, STOCKWELL STREET, LEEK, STAFFORDSHIRE, ST13 6DW

Application No. SMD/2025/0225

Thank you for your letter of 8th May 2025 regarding the above application for listed building consent. We refer you to the following published advice which you may find helpful in determining the application.

Historic England Advice Note 12 - Statements of Heritage Significance:
<https://historicengland.org.uk/images-books/publications/statements-heritagesignificance-advice-note-12/heag279-statements-heritage-significance/>

Whilst the submitted Listed Building Consent application has a submitted Design, Access and Heritage Statement, further detail is required in order to fully assess the likely impact upon the building's existing historic fabric and justification for the proposed works, especially with regards to the exterior fabric and fenestration. This could incorporate and analyse the submitted Scope of Works.

We also suggest that you seek the views of your specialist conservation adviser.

It is not necessary for us to be consulted on this application again, unless there are material changes to the proposals. If you would like detailed advice from us, please contact us to explain your request.

Yours sincerely

B Williscroft
