Subject: RE: Knypersley Sports Club SMD 2025 0007

Hi,

Sorry for the delay in response.

Having reviewed the information supplied I have no objection to the revised plans which have been submitted. As per the response from Sport England the development seemingly now provides brand new changing facilities for the football club, which meet the FA and Football Foundation requirements. The changing facilities are replacing old and derelict current facilities which are way beyond usage.

The new facilities will enable the site to be used for football at all levels for many years to come and we welcome the plans.

Thanks
