Submission: Objection

Comments: Inappropriate placing of new build estate - it is a nice, small estate as it stands and many who live here have chosen the area due to its proximity to the edge of lovely countryside and the fact that it is a quieter part of town. Also, putting houses where we have farmland where cows graze is not environmentally friendly at all. Also potentially adding 70plus new residents in the area begs the question - what about schooling, dentists and doctors - current residents struggle with spaces for these as it is.
