Comments: My reasons for supporting this retrospective application for retention of said Carport are:

- a) Mr & Mrs Lease would have not erected the said carport if full consent had not been given by all parties/co owners of said land.
- b) It has been erected within the confines of their perimeter/boundary of their property
- c) It has been sympathetically erected with environmental materials and the environment in mind.
- d) In my view the carport doesn't look out of place and is certainly in keeping with what you would expect to see living in the countryside.
