Submission: Objection

Comments: I completely object to these houses. Loosing the green fields which as lots of wildlife on . Flooding from this. Which floods rakeway Estate eves lanes which is unpassable when it rains. Which from Checkley and tean also have this problem more houses will cause worse flooding . Cheadle roads cannot cope with more traffic as mill road is blocked by parked cars. Rakeway Road Bridge floods which more cars extra weight on the bridge. Which the lorrys going to the quarry were stopped from using the road . Cheadle with the new estates built have had no more doctors schools dentist. So it cannot cope with more houses. New estate going up Froghall Road 200 houses 6 built at Mobberley 5 still empty. Potteries garden estate isn't finished yet. There is no need for anymore houses is Cheadle. Please reconsider
