Application name CCP Development (stone)Limited Mark L Clarke - Land East of East of manifold drive Cheadle Staffs
OBJECTION to housing development.

We have lived on this quiet estate for 40 years plus . We have enjoyed the country side - this will be decreasing .

This estate has one access point - adding 50 more houses ,would course major problems - on our roads More traffic !

Proposed sight floods when we have a rain . The drains cannot cope with this .

Our Beautiful green space is shrinking - Wild life would suffer - we have owls , woodpeckers , bats newts , etc all at risk .

Schools , Drs surgery, Dentist , are already under strain - Full to capacity !
Save our countryside ! No to houses !

Mr and Mrs D Hodson
