

Brund Bank House.

Brund Lane

Cheddleton

ST 13 7LD

Dear S.M.D.C.

We write in support of K.A. Carr's planning application in respect of the redundant farm building at Brund Lane, Cheddleton. This building has been an eyesore ever since the adjacent house was burnt down in the 1960's. To see it converted into a dwelling would enhance and tidy the whole site & would be a vast improvement on its present state. There has also been a fly tipping problem which would be solved by this project. We travel on this rural lane every day & strongly wish this application to succeed

Yours Sincerely
