Comments: I completely object to the planning. As its completely going to ruin the wildlife lots of birds land in this area. Owls at night . beautiful countryside. Its going to make more traffic which this road isn't capable of. Plus the bridge at the bottom of rakeway Road is structured for more traffic. That's why the lorries aren't allowed up there anymore. More traffic on manifold drive. Which shouldn't be allowed to use for these houses. No more doctors schools dentist. Roads in Cheadle cannot cope with more traffic. When I mentioned to someone one who lives in leek they couldn't believe that they are trying to build more houses. They said there's nothing in Cheadle. Pubs are disappearing . So obviously no need for anymore houses
