Submission: Objection

Comments: I am writing to object to application SMD/2023/0532.

Quarry 2 at Moneystone is a site with recognised quicksand, and poses significant risk accordingly. As of the current date, no stability report on Quarry 2 has been made available, no access route from Quarry 2 to Quarry 1 to Whiston Eaves Lane has been provided, and Fire Brigade access to Quarry 2 is unclear. In turn, Quarry 2 discharge continues to contaminate the Quarry 3 lagoon.

With this catalogue of Quarry 2 issues not having been addressed, I strongly object to planning permission being granted.

Your faithfully,

James Lumsden-Cook
