Submission: Objection

Comments: We object to caravan and tent cite as it is in the middle of the village and can be seen from other properties. There is already two sites and a motel next door in the village .

Access to the site is over a lay-by which is also a bus stop. The access to the site has been made twice the size as it was originally.

With the camp site having a post code DE6 2HS this will bring them down Townend Lane which a narrow single track lane with no turning points to turn round.

Our concern would be the noise and light impact on the village
