Comments: I would like to object to the above planning application on the grounds that it would spoil the outlook of the town

The fields concerned can be seen from many areas of the town and would be an eyesore. Why build on green fields which are even past the Cheadle signs. There has also been no investment in the towns infrastructure with appointments at doctors and dentists almost impossible to book. Also there's nothing for teenagers and children to do which can only contribute to the anti social behaviour we have recently seen an increase in.
