Comments: The recently constructed double gate access to the caravan & camp site has been built without planning permission. This access is on a blind bend on the A52, opposite one bus stop, and crossing the layby of another bus stop. Towed caravans using that access would add further hazard to traffic turning in or out of Town End Lane. The inevitable signage required would increase the hazard.

A caravan and campsite would pollute the peaceful atmosphere and privacy of the houses at the heart of Swinscoe village and the adjacent Public Footpath.
