Submission: Support

Comments: Dear Planning Officers and Committee,

At a meeting of Leek Town Council Planning Committee on 24th June 2025, the committee resolved to support this application.

This is a well designed plan, sensitive to existing historic architecture in the surrounding streets at the lower Stockwell part of town. There is a variety of housing accommodation proposed which is much needed in the town centre. The Council also support the provision of space for parking for each property and in particular the under apartment design. The council support renewable energy provision either with solar or EV charge points and swift boxes. The access from the town centre to Vicarage Road car park through to Brough Park is also a good addition to the design layout.

Yours sincerely

Town Clerk

Leek Town Council
