Comments: Only one access point out of Rakeway estate, with the pressure of extra houses is a health and safety risk. Lots of elderly people on the estate needing daily medical care. Cheadle town council have confirmed cheadle quoter for new houses has already been filled. This is an unnecessary invasion of green space, There are more than enough new builds already being built in cheadle, to accommodate the younger generation with affordable homes.our infrastructure can't cope with anymore, until infrastructure has been updated
