Comments: We object to this application on many issues.

* the lane is absolutely not meant for more traffic. It will cause huge disruption and is a very narrow single track.

* the hot tubs will need emptying between every changeover and so not only goes against Staffordshire Climate Emergency policy, but that amount of water will leach into nearby SSSI.

* There's no need for 4 extra lodges when Moneystone has an extra 90, let them have the disruption!
