Comments: The proposed P/A to create a public auditorium ,once realised will fulfil a dream held by many to replace the capacity of the long lamented town hall. While the Foxlowe Arts Centre has gone from strength to strength it has not been able to attract large audiences because of its limited capacity. This proposal addresses that issue with a bold and challenging design which complements the existing Georgian and Victorian building. I hope the P/A Committee recognise that this I will be a wonderful asset to our town and attract new audiences from across the Midlands and beyond. It is a most worthwhile project and I heartily support it.
