Comments: I fully support this planning application. It sounds like it will be a fantastic place to holiday whilst exploring the local area, surrounded by nature and wildlife at a peaceful, quiet site. Myself and my family have travelled down this track to visit family and didn't have any problems. We could see the passing places but didn't need to use these as we didn't meet any other traffic on the road. Having never been to the area before, I was able to navigate the track safely with no issues.
