**Submission:** Objection

**Comments:** This area is a agricultural area & not a commercial area it's completely not appropriate to build this here, my objections are excessive light pollution ,the humming of the batteries in storage, security traffic checks 24 hours a day, the risk of explosion, a fresh brook close by that animals drink from ( which could get polluted ) wildlife ie bats birds of prey that are all local to this area, who benefits from this definitely not the local people apart from the applicant
