Submission: Objection

Comments: The 24-060-30\_P3 - Proposed Masterplan and the 24-060-40\_P3 - Proposed Development Plan and others in the application both have the double drive part of the drawings hard against the existing shed owned by me and there should be a 1m gaps shown in the later document Revised Site and Location Plan PL01F received 29th July that is correct to my understanding. I do not consent to my land being used as part of the driveway.
