Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- ☒ Yes
- ☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Rear and Side Extension within Permitted Development

Does the proposal consist of, or include, a change of use of the land or building(s)?

- ☐ Yes
- ☒ No

Has the proposal been started?

- ☐ Yes
- ☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The existing building is a single-family dwelling house (Use Class C3) that has been in continuous residential use for many years. There have been no enforcement actions or planning breaches relating to the building's use or construction. It is therefore considered lawful. The proposed extension is to this lawful residential building, and it will comply with the permitted development rights as set out in the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended).

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Select the use class that relates to the existing or last use.

Is the proposed operation or use

☒ Permanent

☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed development consists of a single-storey rear and side extension to an existing dwelling house. The proposal complies with the conditions and limitations of permitted development rights set out in Class A of Part 1 of Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended). It does not exceed the height, footprint, or extension limits for permitted development, and the materials used will be similar in appearance to the existing dwelling. Therefore, the proposal constitutes permitted development, and a Lawful Development Certificate should be granted.

Site Visit

Can the site be seen from a public road, public footpath, bridleway or other public land?

☒ Yes

☐ No

If the planning authority needs to make an appointment to carry out a site visit, whom should they contact?

☒ The agent

☐ The applicant

☐ Other person

Pre-application Advice

Has assistance or prior advice been sought from the local authority about this application?

☐ Yes

☒ No

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

(b) an elected member

(c) related to a member of staff

(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.

Do any of the above statements apply?

☐ Yes

☒ No

Interest in the Land

Please state the applicant's interest in the land

- ☐ Owner
- ☐ Lessee
