Comments: With regards to planning SMD/2025/0013. The plan will cause chaos traffic lights as they did when Severn Trent put 3way lights up in July 2025 causing queues in 3 directions. Also how do we get up the slip road to get up our drives when we will have to get over 3carriage ways to get up the slip road.. if we can get up the slip road for queueing traffic !!!! And what will stop cars using the slip road to get around the traffic. Health reasons regarding engines running releasing fumes as they sit there. The list is endless.!!!
