Comments: Dear Planning Officers

At a meeting of Leek Town Council Planning Committee on 23rd September 2025. The Council resolved to give the following observation comments:

The Council agreed that this application is a practical solution and does not damage the heritage of the Nicholson Institute, The council agreed the entrance was dull. The structure has not added anything exciting or innovative to the building design as the new entrance to the old art studios which will draw lots of new visitors to this town attraction.

Yours sincerely

Denise Wheat

Town Clerk

on behalf of Leek Town Council
