Dear Planning,

Alton parish council objects to planning application SMD/2025/0364 Osprey Development Ltd, Barn off Meadowside View, Alton, conversion to a dwelling on the grounds that it will increase traffic outflow onto the main road, over and above that of the original development, via what is already a small area with narrow access and also that the development is unneighbourly due to windows overlooking nearby properties.

Kind regards

Selwyn Burton
Clerk to Alton Parish Council
