Submission: Objection

Comments: Concerns of parking, this is a 40 mph road, and if people park on the road it will be on the brow of the hill.

we do not need another super market as we already have 2 a round the corner and a further one down the road.

how are cars and delivery vehicles going to turn around in-front of the shop, school children and pedestrians are going to be at risk with vehicles pulling on and off the proposed site.
