Subject: App ref DOC/2025/0061 Advanced proteins Lighting Scheme - Condition 7

Hello Jane,

Re: Environmental Health advice on condition 7. We recommend discharge of the condition subject to compliance with the lighting impact assessment submitted (Strenger Feb 2025) including all maximum lighting intrusion/glare levels (tables 7.1 and 7.2) and required mitigation (section 8.2). There is also an ecological consideration in the condition which we can't comment on.

Thank You

Denis

Mr Denis Colgan
Specialist Pollution Officer
Environmental Health
