Submission: Objection

Comments: I object strongly for the following reasons

I have fields on Sandy Lane on the track next to the proposed development

I have horses which I ride and we already have to endure landrovers speeding up the common for events at the quarry. One Sunday the 26th October that a landrover sped past without a thought for my friend and my horses nearly hitting us

The vehicles coming up and down the common would only add to the horses having to endure more frightening experiences.

So many horses have had near misses with vehicles especially on the bend at the bottom by irresponsible drivers

Also it is Greenbelt and I tried to get planning in 2012 to change my stables to a dwelling and was told I couldn't have anything and parking of vehicles would erode the landscape area

I have had my fields for over 30 plus years and seems like I am the only one not allowed anything!
