Comments: I strongly object to this application, as in my opinion, it will bring more traffic along High Street/ Roughcote Lane, which was designated "Access Only" several years ago under a council traffic calming measure, we already have flatbed wagons and trailers illegally travelling this route, and the occasional HGV that has come off the A50 at Blythe Bridge instead of Meir.

Allowing this application will undoubtedly create more of this traffic flow.

I also note that several "supporters" live nowhere near the application and would not be affected if it was allowed.
