Submission: Objection

Comments: This area is used by many people including walkers, cyclists, horse riders, the traffic this business would create would be a danger to those, also residents would have reversing lorries, dust and have to take into account not being able to get to and from our own properties if we were to meet the extra lorries that would be involved, already a risky time to go out when fun day is on, having had quite a few near misses in the past. The wildlife that we have would also suffer greatly. It's a green belt area so why change it.
