Submission: Objection

Comments: I object strongly to this proposed development which is in close proximity to my house and will create greatly increased heavy traffic and noise to what is essentially a rural area of the green belt.

The proposed lorry turning area is within sight and certainly hearing of my house, with proposed 15 or more trucks per day. The other pre-existing businesses mentioned as local precedents are by no means comparable eg Roughcote Hall care home and Foxfield railway (which is some 2 miles distant and active only on weekends manned by volunteers)

This proposall is for a heavy industry quite inappropriate for the area.

Yours sincerely

Susan Embury
