Comments: Last Year my brother past away very sudden, as you know already from Mr Termine's application he announced this and also the date of his death. This should not have been allowed to be put in the application for their planning. This has caused great upset and stress to the family.

I am a director at Stonevalley less than 1 mile from Higherland Farm. [REDACTED]

[REDACTED] Quite the opposite we are having deliveries of Indian stone regular. Mr Termine has been a regular customer of Stonevalley but obviously with what has happened we feel we have been stabbed in the back. With the big turnout for people against the application I hope you think of the local community. Higherland Farm is on Green Belt the roads are too narrow for 38 ton deliveries, that is what Indian Stone is delivered on. The neighbour nextdoor has a large pond with newts etc in it. The turn out last night at the meeting says it all how people are against the application hopefully you will see sense and realise this. Until that is sorted we shall fight this it is a lovely community and I intend to help them we can't let this application go through.
