MR + MISS G AND H SOULT & ROSIE
18 WILLOW CLOSE, UPPER TEAN.

We are strongly against this application of a rear balcony as it stretches the full length of their property, including their already rear extension. It will severely encroach on our privacy and will prominently overlook our home and garden, they have already made severe changes to their property which directly affects our light, space and privacy, including extensions, steps

and severe loss of light to
our Bathroom and toilet.
We do not want to be
encroached by anything else.
Also they have a building in
their garden which is really
close to our garden and is
surely way above the current
recommended height limit?
This needs to be addressed
immediately! Also we oppose
the steps that will run
alongside our property at the
front of their dwelling and
will directly look into our
front bedroom, which we
are also NOT happy with. It
is their severe encroachment,
all on our side that is the most
annoying and frustrating.
Therefore we ask that you
strongly consider these
points that we have made
Kerry + Sean Adams.
