Good afternoon,

RE: SMD/2025/0388 (New Buildings Farm Sandon Road Sharpley Heath Stone Staffordshire) Solar farm with ancillary infrastructure, security fence, access, landscaping and designed to allow continued agriculture

Thank you for consulting Stafford Borough Council Planning Department on the above planning application.

The council notes that the development site is partially within the 15km impact zone of the Cannock Chase Special Area of Conservation (European Site). Therefore, a Habitat Regulation Assessment is required prior to determination.

Given Staffordshire Moorlands is the deciding planning authority for this application, Stafford Borough Council Planning Department has no further comment to make.

Kind regards,
Steven Owen

Please note: My work days are Tuesday to Friday.
