Dear Sirs,

OBJECTION NUMBER 14 to application number SMD/2025/0243

Site address LAND EAST OF MANIFOLD DRIVE AND SOUTH OF RAKEWAY ROAD

AIR QUALITY ASSESSMENT

Document “Air quality assessment” recognises the potential for air quality impact in accordance with recognised standards. Paragraph 8.1.3 states “Site-specific dust control measures were subsequently determined” and paragraph 5.6.1 recommends a “Dust management plan”.

As an objector, how am I supposed to give a full view if I cannot access all relevant information?

The “dust management plan” is not included anywhere in the application and demonstrates another area where the application is incomplete.

I remain deeply concerned with the entire application and urge that this proposal be rejected on the grounds stated above.

Yours faithfully,
Darren Whitehead & Joanne Johnson
