Comments: Subject: Support for Housing Application in Cheadle

Dear Sir/Madam,

I am writing in support of the application for 50 new homes in Cheadle.

The demand for housing in the area has been rising for years, and many local people are forced to look outside the town due to limited availability (us included). This development would help address that shortage and provide much-needed homes for both current and future residents.

The land in question is not productive farmland but is instead grazed under a rental arrangement, so claims of 'loss of farmland' are misleading. Using this land for housing is a practical and reasonable progression.

I trust that these points will be considered during the decision process.
