Subject: Last minute statement for Planning meeting

[REDACTED]

Hi All,

Many apologies for the short notice, but if there is time, please could you include the following in late representations:

On behalf of local resident, Ann Holdcroft, who lives at 175 Leek Road, I wanted to express concerns that she has about the proposed pedestrian gate for Endon High School. She is concerned about the lack of space as someone who knows the location well. There are over 700 pupils at the High School for that narrow stretch of road.

We have three local schools in Endon along the A53 Leek Road within a short distance of each other. I would like to ask the Planning Committee to consider road safety as a top priority for this specific application.

Best wishes,

Joe Porter
