Subject: Planning proposal SMD/2025/0238

[REDACTED]

Dear Sir/ Madam

With reference to our objection letter dated 22/12/25 to the above revised proposal, in particular the paragraph headed:

Clearly Preferable Alternative Design Available.

We proposed locating the bedrooms to the dormer extension on the front elevation of the property. This should have read, locating the bedrooms to a double dormer extension on the front elevation of the property.

Kind regards
Nigel And Sandra Hughes
