Ellen,

From a conservation perspective there would be no objections to the materials mentioned below, assuming that the roof would be a dark grey colour.

Kind regards,

Good Afternoon,

Further to your comments on application SMD/2025/0317 the applicant is suggesting the natural wood of the proposed outbuilding be left to weather on the building with an 18inch brick base and a timber roof with a rubber roof. Would this be appropriate?

Thank you,
