Comments: The area where the retail unit is to be placed would mean removing yet another historic building within this country. Appears it needs to be a listed building before it can't be touched. The traffic is also disruptive enough to the residents of Werrington and those traffic lights are a nightmare at all rush hour times, makes no sense to put another retail unit on this corner. What's wrong with the current one? Extend that one if you want to make it bigger.

Werrington is a village, not a town where it needs lots of shops. If you wanted a shop on the main road, you should have taken and made an offer for the retail units next to the windmill a bit further up which already has parking outside.

Why are subjects trying to take over Werrington, and remove all aspects of country life. This village doesn't need another shop. Extend what you currently have or not at all. What are the plans for the old shop? A shop to be left abandoned and to be an eye saw for the residents that have to live in the immediate surroundings. Stand firm council for once and stop constantly changing areas that change our countryside.
