Comments: My concern regarding this application is the proximity to other properties and the lack of facilities near by for young people.

Placing children into a rural environment such as Biddulph Moor could be detrimental to these vulnerable children. They may have been moved from urban areas where there is plenty of social and integrative opportunities. I feel a commitment to monitoring the children throughout the day and night to prevent unruly/anti social behaviour within the neighbourhood should be paramount.

Whilst I appreciate that children need to be protected and be provided with a safe nurturing environment I currently do not feel that Biddulph Moor can meet the children's needs.
