Subject: Planning Application No: SMD/2025/0481 - The Old School Canteen, Shepherd Street, Biddulph

To Whom it May Concern,

Planning Application for a Residential Development at The Old School Canteen, Shepherd Street, Biddulph (SMD/2025/0481)

In response to the above planning application, the School Organisation Team has the following comments:

The development is scheduled to provide 5 dwellings.

In accordance with the Staffordshire Education Infrastructure Contributions Policy (SEICP) the threshold for calculating education contributions on residential developments is 10 or more dwellings unless their co-location with other sites requires examination of the cumulative impact.

Therefore, as this development is proposing to build less than 10 dwellings no education contribution is sought for this application.

The response is based on the information contained within the planning application. Should the number of dwellings change we would wish to be consulted so that a revised contribution can be calculated.

If you have any queries, please contact us by e-mail at the address given below.
