Comments: As the owners and residents of 1 Overton Hall Barns, with property and land directly adjacent to 2 Overton Hall Barns, we do not object to the planned addition of 10 solar panels on the south facing roof.

Of consideration for the application is the driveway from the main road to the two properties. The driveway is owned by us, with a right of access granted to 2 Overton Hall Barns. At no time should the drive be closed or access to it be restricted as part of the installation, if planning is granted.
