Submission: Objection

Comments: The access is not suitable through the car park which when busy will cause issues. The owner will have no interest in reopening The RedLion Public house as a business giving way to the carpark being just an access road and the building converted to more houses and yet another business / service in the community lost for ever. This field is at the heart of the village and enjoyed by pub goers for many years with public access to the canal giving lovely views and a connection to nature.
