Submission: Objection

Comments: Hi, I am a direct neighbour of this application and strongly object to a building being erected in the middle of a greenbelt field. He has no reason for a building and has other people renting and farming the ground. He has already built a block and brick bungalow type building without any planning permission, which should have enforcement action to remove this building before he can build anything else.

He has already tried to apply for several types of building on this land and has been refused.

Regards Guy
